ActivPanel 10 and Promethean ActivSuite™

Flexible for any learning ecosystem

- Provide a smooth, intuitive experience for both teachers and students
- Choose from an Android, Windows, or ChromeOS compute device to match your school or district's needs
- Connect any existing computing hardware and use the OS of your choice with the panel's extensive range of ports

Secure, sustainable, and built to last

- Ensure long-term security and sustainability for your school or district
- Maintain full control over security and updates with preferred IT tools
- Keep tech current while reducing costs and electronic waste with a simple swap of the compute device—not the entire panel

Software that meets you where you are

- Access the suite of Promethean apps from any Windows, macOS, or ChromeOS computer at or away from the panel with Promethean ActivSuite
- Plan, prepare, and deliver lessons anytime, anywhere for maximum flexibility
- Enjoy two seats of Promethean ActivSuite and one ActivInspire license (lesson creation and delivery platform) with every ActivPanel 10

Free yourself in an immersive environment

- Give teachers the flexibility to move and engage students without being tied to the panel
- Easily navigate and edit content and switch between apps effortlessly at the panel or across the room with the optional All-in-One Remote
- Write, highlight, and control content from anywhere in the room with the optional ActivPen® 2

- Anti-glare, anti-fingerprint, anti-smudge glass
- 9H glass hardness
- Minimum of 500 cd/m²

- 2 x 20 W speakers
- HDMI Out
- USB-C with 100 W power delivery

Choose the computing device that fits with your ecosystem

OPS-A
