

# 21st CENTURY LEARNING DESIGN BOOTCAMP

Exploring innovative teaching methods using Microsoft 365 for modern learning experiences, while examining ways that 21st century learning design (CLD) emphasizes critical skills for learning in a student-centered learning environment.

## COURSE OUTLINE

### Innovative Teaching Methods

Learn how Microsoft 365 can support modern learning environments and project-based learning.

### Using Microsoft 365 for Education

Explore advanced features, including advanced analytics, cybersecurity tools, AI-powered solutions, and more, that integrate with other tools and enhance lesson planning.

### 21st Century Learning Design

Create lessons that build skills in collaboration, problem solving, and innovation.

### Practical Applications

Use current lesson planning to create practical application of skills that can be used immediately.
